

# Next Generation “Next-Gen” Volunteer Program

The PMIGL Chapter has launched a new Next-Gen Volunteer Program to enroll PMs in chapter volunteer activities.

## Benefits for a Next-Gen Volunteer

- Share your valuable insights and feedback that will be used for future membership offerings.
- Enhance your resume with PM knowledge skills – hands-on project opportunities.
- Gain valuable experience for continuing PMP certification status.
- Grow your professional network for career success.
- Earn PDUs towards maintaining your certification – volunteers receive multiple PDUs earning opportunities.
- Annual Chapter Recognition – be recognized by the chapter at the volunteer appreciation event.
- Be mentored by experienced PMs in your field and learn leadership skills.
- PMI offers expertise and knowledge in various areas such as Communication, Networking, Marketing, Finance, Research, Outreach, STEM Education and Community development.
- Be a part of our event management project team – in the past, this has included Happy Hours at local restaurants/bars, the annual golf outing, Twitter/Facebook/LinkedIn management, the Annual Symposium, etc.
